## PROFESSIONAL SKILLS

---

- Front-End Development: Skilled in creating responsive, user-friendly interfaces using HTML, CSS, JavaScript, React, and Next.js. Proficient in UI libraries like Tailwind CSS and ShadCN UI, with strong attention to design accuracy and accessibility.
- Technical Workflow & Collaboration: Experienced in API integration, state management, performance optimization, Git version control, testing, and Agile methodologies for delivering high-quality, scalable web applications.

## WORK EXPERIENCE

---

Csfirst lagos July 2022 – Nov 2022  
Coding tutor

- Delivered structured and engaging coding lessons in HTML, CSS, and JavaScript to secondary school students across Lagos, demystifying web development concepts through practical, project-based teaching methods that improved student retention and enthusiasm for tech.
- Designed and followed a consistent teaching framework, ensuring students progressed through foundational to intermediate topics with a clear understanding of real-world applications and best practices.

- Managed and regularly updated the company's website, implementing responsive layouts, optimizing performance, and ensuring content accuracy to maintain a strong digital presence that aligned with the company's branding and outreach goals.
- Established a streamlined workflow for web content updates and technical maintenance tasks, improving turnaround time for publishing and minimizing downtime, which enhanced the company's online reliability.

## PROJECTS

---

### [Front-End Developer | AcQua \(Fish Farm Accounting Software\)](#)

Oct 2024 - Present

- Developed a responsive and visually appealing front-end for AcQua, ensuring a seamless user experience.
